Read Matthew 1:18–24 to learn more about Saint Joseph's response to God. How can his response to God be an example to you of how to respond to God's will even when it is difficult?

An angel appeared to Joseph in a dream to tell him God's will. Chances are that God's will for you will not be revealed to you in your dreams. How can you learn to discern, or come to recognize, God's will in your own life?

Write a short prayer to Saint Joseph asking him to help you follow God's will always.
